

I am very concerned about the LPFM priority. I am an long time listener of KLOVE and the possibility of this radio station losing its broadcast capabilities is an outrage. It is a widely listened to radio station in our area, and has brought several people closer to Christ in many different ways. I even know of individuals that don't clame to be saved or be christians that love this station and the inspiration it provides to our community. Out with the old and in with the new isn't always the best answer.
